

INGLEBY BARWICK TOWN COUNCIL

Launch of Town Council Website

The Town Council website can now be accessed at www.inglebybarwicktowncouncil.org.uk and provides details of how you can contact the Council. The site will be updated on a regular basis, with details of meetings, agendas, minutes and other relevant information.

Dog Fouling & Litter

Dog mess is an eyesore and a health hazard. If you are a dog owner, you have a legal duty to clean up every time your dog messes in a public place.

It is a criminal offence to throw down, drop or otherwise deposit and then leave litter, which applies to all places that are open to the air, including both private and public land and land covered by water.

The Town Council would request the co-operation of residents on these matters. Care For Your Area and Enforcement work hard to maintain a high standard of cleanliness to ensure that Ingleby Barwick is a safe and pleasant place to live.

Seamer Wind Farm Community Fund

Ingleby Barwick Town Council would like to thank residents for their ideas/suggestions on how the Community Fund could be used for the benefit of Ingleby Barwick. One of the ideas being progressed is the planting of fruit trees. The Town Council has agreed to contact the local primary schools and St. Francis of Assisi Church to ascertain as to whether they would be interested in planting fruit trees in their grounds, which would be purchased from the Community Fund. The Town Council will keep you informed of progress. Please continue to forward any ideas/suggestions.

Preston Park Skate Park

Following a meeting of Stockton Borough Council's Planning Committee on 15th January 2014 it has been confirmed that the proposed Skate/BMX Park at Preston Park has been granted Planning Consent. Work on site, is programmed to commence late February/early March 2014.

The Planning Application can be viewed on S.B.C. website www.stockton.gov.uk planning application reference no. 13/2893/LAF.

This is a "BRM" event, which means it will help cyclists pre-qualify for the 1200 km "Paris-Brest-Paris" in 2015.
